THE POSTGRADUATE SCHOOL

ADMISSION TO PART-TIME POSTGRADUATE PROGRAMMES

Applications are invited from suitably qualified candidates for admission into the following Part-time Postgraduate Programmes for the 2017/2018 academic session:

A. AVAILABLE PROGRAMMES

(1) FACULTY OF CLINICAL SCIENCES

(A) Department of Community Medicine

- (i) Postgraduate Diploma in Public Health (PGDPH)
- (ii) Master in Public Health (MPH) with specialization in:
 - (a) Health Education
 - (b) Public Health Nutrition
 - (c) Health Administration, Management and Policy
 - (d) Epidemiology and Disease Control
 - (e) Population and Reproductive Health

ADMISSION REQUIREMENTS

(a) Basic Requirement:

Candidate for (i) must possess four (4) O' Level credit passes including English Language, Mathematics and one (1) Science subject, preferably in Chemistry.

Candidate for (ii) above must have possess five (5) O'Level credit passes including English Language, Mathematics, Biology and one (1) other Science subject.

(b) Specific Requirements:

Candidate for (i) must have B.Sc. degree in Public Health from any recognized University, Candidates with Bachelor degree in discipline not related to health, such as Social sciences, must have a minimum of Third class grade with cognate experience of at least 3 years OR

HND or its equivalent in Health Science related courses with a minimum of Lower Credit and be currently involved in active public health service for 3 Years OR

Registered Nurse and Midwives or Community Health Officers

Candidate for (ii) above must be holders of Basic Professional Degree in Medicine or Dentistry, Bachelor of Science (Nursing) from any recognized University, Postgraduate Diploma in Public Health of LAUTECH.

DURATION OF PROGRAMMES

- (i) Postgraduate Diploma in Public Health (PGDPH) - Minimum of two (2) semesters
- (ii) Master in Public Health (MPH) - Minimum of four (4) semesters

(2) **FACULTY OF ENGINEERING AND TECHNOLOGY**

(A) **Department of Computer Science and Engineering**

- (i) Postgraduate Diploma in Computer Science (PGDC)
- (ii) Master in Information Technology (MIT)

ADMISSION REQUIREMENTS

(a) **Basic Requirement:**

Candidates must possess five (5) O'Level credit passes including English, Mathematics and any other three science related subjects.

(b) **Specific Requirements:**

Candidate for (i) must possess minimum qualification of Third Class degree in Science, Social Science, Engineering and other fields or HND holders OR

HND holders with a minimum of Lower Credit or equivalent professional certificate OR

Candidates who have acquired the status of Full Membership of Computer Professional Registration Council of Nigeria (MCPN)

Candidates for (ii) above must possess Bachelor's degree of this institution with a minimum of Second Class Honors (Lower Division) or Candidates having a minimum of 60% average in Postgraduate Diploma from this University or any other recognized University OR

Candidates having final examinations results of Computer Professional Registration Council of Nigeria (CPN), Council for the Regulation of Engineering in Nigeria (COREN) and other registered bodies approved by the National Universities Commission.

(B) **Department of Mechanical Engineering**

- (i) Postgraduate Diploma in Safety Technology Management
- (ii) Master in Safety Technology Management

ADMISSION REQUIREMENTS

(a) **Basic Requirement:**

Candidates must possess 5 O'Level credit passes at maximum of two (2) sittings in WAEC/NECO/NABTEB to include English, Mathematics and any other three science related subjects.

(b) **Specific Requirements:**

Candidate for (i) must possess minimum qualification of Third Class degree in Bachelor of Technology, Bachelor of Engineering or Bachelor of Science Degrees Certificate in Engineering, Technology or any of the relevant Sciences OR

HND holders or its equivalent in Engineering, Technology or any of the related Sciences at Lower Credit Level, with minimum of 2 years of Industrial working experience in related fields OR

Candidates with any other relevant professional qualification(s) who have adequate working experience may be considered for admission

Candidates for (ii) above must possess Bachelor of Technology or Bachelor of Engineering or Bachelor of Science Degrees Certificate in Engineering, Technology or any of the relevant Sciences with a minimum of Second Class (Lower Division) OR

Candidates holding Postgraduate Diploma or its equivalent in Safety Technology Management of LAUTECH, or any of the relevant disciplines at credit level.

- (3) **FACULTY OF MANAGEMENT SCIENCES**
- (A) **Department of Management and Accounting**
- (i) Postgraduate Diploma in Management Science (PGDMGS) with specialization in:
 - (a) Financial Management
 - (b) Management Studies
 - (c) Accounting
 - (d) Management Information System
 - (e) Cost Management
- (ii) Postgraduate Diploma in Public Administration (PGDPA)
- (iii) Master of Business Administration (MBA) with specialization in:
 - (a) Marketing Management
 - (b) Financial Management
 - (c) Human Resource Management
 - (d) Management Information System
 - (e) Cost Management
 - (f) Oil, Gas and Energy Management
 - (g) Procurement and Supply Chain Management
 - (h) Hospitality Management
 - (i) Export Practice
- (iv) Master of Public Administration (MPA)

ADMISSION REQUIREMENTS

- (a) **Basic Requirement:**
Candidate for (i), (ii), (iii) and (iv) must possess five (5) O' Level credit passes including English Language and Mathematics
- (b) **Specific Requirements:**
Candidates for (i) and (ii) must possess Bachelor's degree in relevant disciplines with a minimum of Third Class division from recognized Universities OR

Holders of HND in relevant disciplines with a minimum of Lower Credit from a recognized institution

Candidate for Master Programme must, in addition to the basic requirements possess Bachelor degree in Social Sciences or numerate discipline like Engineering and Sciences from an approved University, with a minimum of second class lower division OR

Candidates with Postgraduate Diploma in relevant disciplines from a recognized Universities with a minimum of Lower Credit may also be considered for admission, provided LAUTECH (basic) matriculation requirements are satisfied OR

Holders of HND in any discipline with a minimum of Lower Credit plus Postgraduate Diploma in Social Sciences or numerate disciplines from recognized Universities are also eligible for admission OR

Holders of professional qualifications from relevant professional bodies that are Chartered by the Federal Government of Nigeria such as ICAN, CIBN, CILPAN, ANAN, NIM, CIN, NIMARK CIPM (IPMA Professional Part 2 Certificate), the possession of Postgraduate Diploma in Cost Management or Associate Membership (ACCM) of Chartered Institute of Cost Managers of Nigeria may be considered OR

Holders of HND Distinction/Upper Credit or Third Class degree in any relevant discipline plus five years' experience at the managerial level may also be considered.

- (B) **Department of Transport Management**
- (i) Postgraduate Diploma in Transport Management (PGDT)
 - (ii) Master in Transport Management (MTM) with specialization in:
 - (a) Logistics Management
 - (b) Aviation Management
 - (c) Maritime Management
 - (e) Port Management and Operations
 - (f) Shipping Management

ADMISSION REQUIREMENTS

(a) Basic Requirement:

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) Specific Requirements:

Candidates for (i) must possess Bachelor's degree in any discipline with a minimum of Third Class division from a recognized University OR

HND Lower Credit in any social science or numerate discipline like Engineering, Mathematics and Pure Sciences;

Candidate for (ii) must possess Bachelor degree in Social Sciences or numerate discipline like Engineering, Mathematics and Pure Sciences, from an approved University, with a minimum of second class lower division OR

Candidates with Postgraduate Diploma in the relevant disciplines from a recognized University and who have passed with a minimum of Lower Credit may also be considered for admission OR

DURATION OF PROGRAMMES

- (i) Postgraduate Diploma in Management Science (PGDMGS) - Minimum of two (2) semesters
- (ii) Postgraduate Diploma in Public Administration (PGDPA) - Minimum of two (2) semesters
- (iii) Postgraduate Diploma in Transport Management (PGDT) - Minimum of two (2) semesters
- (iv) Master in Business Administration (MBA) - Minimum of four (4) semesters

(v) Master in Transport Management (MTM) - Minimum of four (4) semesters

(4) **FACULTY OF PURE AND APPLIED SCIENCES**

(a) **Department of Pure and Applied Biology**

(i) Postgraduate Diploma in Environmental Health (PGDEHM) with specialization in:

- (a) Public Health Management
 - (b) Biodiversity Management and Conservation
 - (c) Industrial Biotechnology
- (ii) Master of Environmental Health Management (MEHM)

ADMISSION REQUIREMENTS

(a) **Basic Requirement:**

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) **Specific Requirements:**

Candidate for (i) must possess Bachelor's degree in Science and Science-based courses with a minimum of Third Class division from a reputable University.

Candidate for (ii) must be Graduate of LAUTECH or of any approved University in Science and Science-based disciplines with at least Second Class Honours OR

PGD in Public Health Management from LAUTECH or from any other approved University with 60% or (3.5) weighted average or a University degree not less than Third Class Honours (with evidence of at least 5 years of post-qualification cognate working experience in a relevant organization)

(b) **Department of Pure and Applied Chemistry**

- (i) Professional Postgraduate Diploma in Industrial and Environmental Management
- (ii) Master in Industrial and Environmental Management

ADMISSION REQUIREMENTS

(a) **Basic Requirement:**

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language, Mathematics, Chemistry, Physics and Biology

(b) **Specific Requirements:**

Candidate for (i) must possess Bachelor of Technology or Bachelor of Engineering or Bachelor of Science or equivalent qualification in a relevant branch of science or engineering with a minimum of Third Class division OR

Candidate with Higher National Diploma (HND) with minimum of lower credit in Environmental Health with two (2) years working experience in the field. Applicants with other relevant qualifications and/or at least two years work experience in the field of environmental impact assessment or pollution control will also be considered

Candidate for (i) must possess Bachelor of Technology or Bachelor of Engineering or Bachelor of Science or equivalent qualification in a relevant branch of science or engineering with a minimum of Second Class Lower division or its equivalent OR

Candidate with Higher National Diploma (HND) and Postgraduate Diploma in Environmental Health with work experience in the field. Applicants with other relevant qualifications and/or substantial professional work experience in the field of environmental impact assessment or pollution control will also be considered

- (c) **Department of General Studies**
 - (i) Postgraduate Diploma in Social Work with specialization in:
 - (a) Community Development
 - (b) Social Welfare
 - (c) Healthcare
 - (d) Industrial Social Welfare
 - (ii) Master of Science in Social Work with specialization in:
 - (a) Community Development
 - (b) Social Welfare
 - (c) Healthcare
 - (d) Industrial Social Welfare

ADMISSION REQUIREMENTS

(a) Basic Requirement:

Candidate for (i) must possess four (4) O' Level credit passes including English Language, Mathematics and any other core science subject, e.g. Biology, Physics or Chemistry.

Candidate for (ii) above must possess five (5) O' Level credit passes including English Language and Mathematics and any other core science subject, e.g. Biology, Physics or Chemistry.

(b) Specific Requirements:

Holders of HND with a minimum of Lower Credit, Registered Nursing Certificate, Community Health Certificate or their equivalents from recognized higher institutions.

Candidate for (ii) must hold First Degree of not less than Second Class Lower Division in relevant areas (Health Education and Special Education, Nursing, Psychiatry, Psychology, and any other relevant discipline in Sciences, Social Sciences and Humanities) OR

Those who hold LAUTECH Postgraduate Diploma Certificate or its equivalent from other recognized Universities may also be admitted.

- (a) **Department of Pure and Applied Physics**
 - (i) Postgraduate Diploma in Industrial and Health Technology with specialization in:
 - (a) Solar Energy Technology and Design
 - (b) Wireless/Communication Technology
 - (c) Environmental Safety and Health Technology
 - (d) Environmental Geophysics
 - (ii) Master in Industrial and Health Technology with specialization in:
 - (a) Solar Energy Technology and Design
 - (b) Wireless/Communication Technology
 - (c) Environmental Safety and Health Technology
 - (d) Environmental Geophysics

ADMISSION REQUIREMENTS

(a) Basic Requirement:

Candidate for (i) and (ii) must possess five (5) O' Level credit passes including English Language and Mathematics

(b) Specific Requirements:

Candidates must possess B.Sc, B.Tech with Third Class or HND with at least Lower Credit in Mathematics, Physics, Chemistry, Biology and Engineering, Earth Sciences and other related courses of LAUTECH or other recognized Higher Institutions.

B. METHOD OF APPLICATION:

Form Fee: N10,000 (excluding the bank charge). Payment Method: Payments will be made using INTERSWITCH ENABLED DEBIT Cards (ATM Cards).

Application Website: www.pgschool.lautech.edu.ng/application. Complete the form and print.

C. CLOSING DATE:

Printed application form with certified photocopy of Certificates/Diplomas including 'O Level and NYSC Certificates, Transcript and other relevant documents should reach The Secretary, Postgraduate School, LAUTECH, Ogbomosho not later than 6 weeks from the date of publication.
